

Kerr-McGee Chemical Corp – Navassa Superfund Site Navassa, North Carolina

We are resuming in-person meetings at the Navassa Community Center at 338 Main Street, with COVID-19 precautions and virtual meeting options.

Community Meeting & Public Availabilities

Tuesday, June 22, 2021

Public Availability: 12 noon – 1:30 p.m. (virtual only)

Public Availability: 4:00 p.m. – 5:30 p.m. (in-person only)

Community Meeting: 6:00 p.m. – 7:30 p.m. (in-person and virtual)

Presented by the U.S. Environmental Protection Agency (EPA), the North Carolina Department of Environmental Quality (NCDEQ), and the Multistate Environmental Response Trust (the Multistate Trust)

- OU1 partial deletion
- Milestone timeline for 2021 and beyond
- OU2 risk assessments update
- Recent and upcoming sampling

The Public Availabilities will give community members an opportunity to talk with experts about plans for the Site and have questions answered.

Contractor Information Session

Wednesday, June 23, 2021, 12 noon – 1:30 p.m. (in-person and virtual)

The Multistate Trust will discuss potential contracting needs for upcoming excavation work at the Site.

See Page 2 for more information.
